NOTES

All existing level annotations relate to Topographical Site Survey, drawing '2006_01_00_103 Existing Site Survey'.

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All dimensions and levels shall be verified on site on site before proceeding with works. Areas and levels shown are indicative only to be verified through further design development. Detailed site survey to be carried out to verify positions and level relationships with site features and ordnance survey. Boundaries and existing elevations are indicative only and are to be verified by others. This drawing is to be read in conjunction with other documentation from the architect and design team. The architect must be notified of any discrepancies.

Context drawings are drawn for illustration purposes only and should not be measured/scaled from.
